## A Queer History of the Ballet Peter Stoneley

Designed for students, scholars and general readers with an interest in dance and queer history, *A Queer History of the Ballet* focuses on how, as makers and as audiences, queer men and women have helped to develop many of the texts, images, and legends of ballet.

Presenting a series of historical case studies, the book explores the ways in which, from the nineteenth century into the twentieth, ballet has been a means of conjuring homosexuality – of enabling some degree of expression and visibility for people who were otherwise declared illegal and obscene.

Studies include:

- the perverse sororities of the Romantic ballet
- the fairy in folklore, literature, and ballet
- Tchaikovsky and the making of Swan Lake
- Diaghilev's Ballets Russes and the emergence of queer modernity
- the formation of ballet in America
- the queer uses of the prima ballerina
- Genet's writings for and about ballet.

Also including a consideration of how ballet's queer tradition has been memorialized by such contemporary dance-makers as Neumeier, Bausch, Bourne, and Preljocaj, this is an essential book in the study of ballet and queer history.

The author explained their idea in a simple way, consequently all of us can easily know the core of this publication. This book will give you a lot of information about this world now. In order to see the representation of the world with this book.

#### **Justin Campbell:**

Spent a free time and energy to be a fun activity to perform! A lot of people spend their spare time with their family, or all their friends. Usually they accomplish activities like watching television, planning to beach, or picnic in the park. They actually do the same task every week. Do you feel it? Do you want something different to fill your personal free time/holiday? Maybe reading a book may be an option to fill your free of charge time/holiday. The first thing that you will ask may be what kind of guide that you should read. If you want to attempt to look for a book, maybe the guide entitled A Queer History of the Ballet can be a very good book to read. Maybe it can be the best activity for you.

#### **Laura McCallum:**

People living in this new time of lifestyle always make an effort to and must have the extra time or they will get a lot of stress from both daily life and work. So, when we ask do people have spare time, we will say absolutely without a doubt. People are human not only a robot. Then we inquire again, what kind of activity do you have when the spare time comes to you of course your answer will certainly be unlimited. Then do you try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read will be A Queer History of the Ballet.

#### **Donald Goodman:**

Is it a person who has spare time subsequently spends it whole day by means of watching television programs or just lying on the bed? Do you need something totally new? This A Queer History of the Ballet can be the response, oh how come? A fresh book you know. You are so out of date, spending your time by reading in this brand-new era is common not a geek activity. So what do these books have that the others?
