Is Organic Food Better? (What Do You Think?) Andrew Langley

What are the health issues with the foods we eat? Are organic methods better for farm animals? What would you do about it? Lots of people think that organic food is better for you. They believe that organic food is the most natural and wholesome and that organic methods are more humane for farm animals. But many people do not agree with this opinion. They say we must improve our farming so that everyone has enough cheap food to eat. People have been arguing about the possible benefits of organic food for many years. It is a never-ending discussion. Have you ever thought about what goes in to the food you eat, or how the animals that make up part of your diet are treated? This book does not tell you what to think. But it will help you join in the debate.
