This Point Blank Classics edition includes the full original text and an easy to use interactive table of contents.

Right Ho, Jeeves is a novel by P. G. Wodehouse, the second full-length novel featuring the popular characters Jeeves and Bertie Wooster, after Thank You, Jeeves. It also features a host of other recurring Wodehouse characters, and is mostly set at Brinkley Court, the home of Bertie's Aunt Dahlia. It was first published in the United Kingdom on October 5, 1934 by Herbert Jenkins, London, and in the United States on October 15, 1934 by Little, Brown and Company, Boston, under the title Brinkley Manor.

Before being published as a book, it had been sold to the Saturday Evening Post, in which it appeared in serial form from December 23, 1933 to January 27, 1934, and in England in the Grand Magazine from April to September 1934.

Wodehouse had already started planning this sequel while working on Thank You, Jeeves.

Sir Pelham Grenville Wodehouse, KBE, was a comic writer who enjoyed enormous popular success during a career of more than seventy years and continues to be widely read over 30 years after his death. Despite the political and social upheavals that occurred during his life, much of which was spent in France and the United States, Wodehouse's main canvas remained that of prewar English upper-class society, reflecting his birth, education, and youthful writing career.

Sections of the story were adapted into episodes of the ITV series Jeeves and Wooster.

John Le Carré lists the work among his all-time favourite novels.
