Absolute Beginners (Allison & Busby Classics) Colin MacInnes

London, 1958. Smoky jazz clubs, coffee bars and hip hang-outs. The young and the restless were creating a world as different as they dared from England's green and pleasant land. Follow our young photographer as he records a young teenager's life in the capital - sex, drugs and rock'n'roll; the era of the first race riots and the lead up to the swinging sixties. A twentieth-century cult classic, Absolute Beginners paints a vivid picture of a changing society with insight and sensitivity.
