Antropología en sentido pragmático (Spanish Edition) Kant, Immanuel

Esta nueva edición de Antropología desde un punto de vista pragmático ofrece el texto íntegro en alemán en que se basó la serie de conferencias que dió el filósofo en la Universidad de Königsberg. En este volumen Kant desarrolla su idea filosófica de "antropología" desde un punto de vista pragmático alejado del estudio puramente fisiológico del ser humano, a la vez que ayuda a separar la naciente disciplina del carácter especulativo que la permeaba.
