Latin American Diplomatic History: An Introduction

Harold Eugene Davis, John J. Finan, F. Taylor Peck

Latin American Diplomatic History: An Introduction Harold Eugene Davis, John J. Finan, F. Taylor Peck

Here is a fresh and unconventional introduction to the history of Latin American international relations, from colonial times to the present. Previous works of this scope have been written with an emphasis on the Latin American policy of the United States or other "outside" nations. In this volume, the authors offer a pioneering study from a perspective that has been ignored in English-language books--that of the Latin American nations themselves. Includes an extensive bibliography, with listings by both country and century.
