## **Pinter Et Cetera** Craig N. Owens

'Pinter Et Cetera', edited by Craig N. Owens, is among the first volumes published since playwright Harold Pinter's death to account for the many ways his poems, plays, fiction, screenwriting, and public statements have influenced the creative work of artists and writers worldwide. It collects nine essays by nine scholars from five nations, each approaching Pinter's work from a different perspective. Together, these essays offer a compelling argument for thinking of Pinter not merely as a unique writer whose individual genius has introduced the world to a particular aesthetic, but more importantly, as an artist working within numerous traditions, influencing and influenced by the work of painters, installation artists, film directors, photographers, poets and, of course, theatre-makers. "Pinter Et Cetera" is a bold step toward expanding our understanding of Pinter and establishing its importance beyond the absurdist stage. Contributors of this title include Judith Roof, Ubiratan Paiva de Oliveira, Kyoungnye Kwon, Mark Taylor-Batty, Michael Stuart Lynch, Jeanne Colleran, Andrew Wyllie, Christopher Wixson, and Lance Norman.
