The Works of Alexander Hamilton: Volume 1

Alexander Hamilton

The Works of Alexander Hamilton: Volume 1 Alexander Hamilton

Unfortunately, one of the best known aspects of Alexander Hamilton's (1755-1804) life is the manner in which he died, being shot and killed in a famous duel with Aaron Burr in 1804. **But Hamilton became one of the most instrumental Founding Fathers of the United States in that time, not only in helping draft and gain support for the U.S. Constitution but in also leading the Federalist party and building the institutions of the young federal government as Washington's Secretary of Treasury.**

Hamilton is also well remembered for his authorship, along with John Jay and James Madison, of the *Federalist Papers*. The *Federalist Papers* sought to rally support for the Constitution's approval when those three anonymously wrote them, but for readers and scholars today they also help us get into the mindset of the Founding Fathers, including the "Father of the Constitution" himself. They also help demonstrate how men of vastly different political ideologies came to accept the same Constitution.

Hamilton was a prominent politician and a prolific writer who had his hand in everything from the Constitution, the Federalist Papers, and President Washington's speeches, as well as an influential voice in policy and the formation of initial political parties. His works were compiled into a giant 12 volume series by Henry Cabot, which included everything from his speeches to his private correspondence. This edition of Hamilton's *Works: Volume 1* includes his remarks to the Constitutional Convention and writings and speeches given during the Revolutionary War.

John Kirk:

People live in this new morning of lifestyle always try and and must have the time or they will get lots of stress from both everyday life and work. So , if we ask do people have time, we will say absolutely sure. People is human not a robot. Then we consult again, what kind of activity are there when the spare time coming to an individual of course your answer will unlimited right. Then ever try this one, reading publications. It can be your alternative in spending your spare time, the actual book you have read is actually The Works of Alexander Hamilton: Volume 1.

Gene Lyons:

As a student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The Works of Alexander Hamilton: Volume 1 can make you really feel more interested to read.
