## **Women in the Criminal Justice System, 3rd Edition** Clarice Feinman

This third edition provides thoroughly updated information on the status of women in all aspects of the U.S. criminal justice system, from incarcerated women to professionals in the legal, law enforcement, and correctional fields. While concentrating on the present, Clarice Feinman traces changes in theories, goals, practices, and policies concerning women of different racial, ethnic, and socioeconomic backgrounds--be they offenders, professionals, or reformers--since 1800, with a focus on why changes occurred. This unique text is an important tool for filling gaps in information, continuity, and understanding of issues affecting women in the up-hill battle to transform this male-dominated system.
