They say good girls finish last... Well, not true. Here I am. The good girl. Finished. Done. Ruined.

And it's all because of him.

My best friend is getting married and as her maid of honor, I'm determined to give her the wildest party of her still-single life, even if that means getting out of my comfort zone for a night. A trendy club, a few drinks, a naughty game, just a bunch of girls having a good time—what can possibly go wrong?

Well, how about everything.

He is the hottest, most confident guy I've ever met and he's determined to have me tonight.

I'm not a girl who'd settle for a quickie in the bathroom, but with him, I don't know who I am anymore. What's worse, he's not just a handsome stranger, but the stepbrother I've never met.

Falling for him is going to cost me everything, though I don't know that yet.

I'm the good girl after all. I'm supposed to finish last.

This is a complete, full-length novel with no cliffhanger and a HEA. It contains adult themes. Enjoy!
