Understanding tax deductions is an essential part of any small business—without the money saved by taking deductions, many businesses couldn't even get started or operate profitably once they are up and running. With this book, professionals who own their own practice can rest assured that they will learn all they need to know about the many deductions that they are legally entitled to take. Organized into practical, easy-to-use categories of the most commonly used business deductions, also provides basic general information on how businesses are taxed and how tax deductions work, many people (including professionals) quit a job to start their own business, which means that they have no previous experience with business deductions and they need to get up to speed quickly.
