Julius Caesar (Norton Critical Editions)

William Shakespeare

Julius Caesar (Norton Critical Editions) William Shakespeare

Shakespeare's tragedy of one of the most famous assassinations in the world at an epoch-changing time in history.

This richly documented Norton Critical Edition of *Julius Caesar* is based on the 1623 First Folio text. It is accompanied by a note on the text, an introduction that sets the biographical and historical stage necessary to appreciate this richly allusive play, explanatory annotations, a map, and five illustrations.

"Sources and Contexts" presents possible sources as well as analogues to *Julius Caesar*, an account of Shakespeare's understanding of and approach to Roman history, and Ernest Schanzer's study of the narrative challenges posed by the play.

"Criticism" includes early commentary by, among others, Samuel Johnson, William Hazlitt, and Harley Granville-Barker on *Julius Caesar* as well as modern interpretations. Among these are John W. Velz on role-playing in *Julius Caesar*; Jan H. Blits on Caesar's ambiguous end; Paul A. Cantor on rhetoric, poetry and the Roman republic; and R. A. Foakes on the themes of assassination and mob violence.

"Performance History" reprints accounts of various aspects of staging *Julius Caesar* by Sidney Homan, John Nettles, and Robert F. Willson, Jr.

A Film Bibliography and Selected Bibliography are also included.
