**The Rime of the Ancient Mariner (Annotated)** Samuel Taylor Coleridge

Coleridge's famous poem, including notes, reformatted for electronic readers. Originally published in 1798 as part of Coleridge's and Wordsworth's landmark collection the *Lyrical Ballads*, the poem is now widely regarded as one of the great Romantic poems.

Unlike other e-book editions which are merely copies of existing print editions, this edition has been completely reformatted and reworked for e-readers.

We have limited each page to two stanzas (however this is dictated by the length of the notes) for ease of reading. Where possible, notes are provided on the same page as the verse they refer to.

We have hyperlinked all non-fiction secondary material to its original source via archive.org. References to passages in the poem are by line number and are also hyperlinked.
