**Aurora Sky: Vampire Hunter, Vol. 1 (Volume 1)** Nikki Jefford

Her blood is toxic to vampires. If there is one thing eighteen-year-old Aurora Sky wants, it's to get off the iceberg she calls home. Being kissed before she graduates wouldn't hurt either. Then a near-fatal car wreck changes everything. Government agents step in and save Aurora's life in exchange for her services as a vampire hunter in Alaska. Basically she's a glorified chew toy. All thanks to her rare blood type, which sends a vampire into temporary paralysis right before she has to finish the job...by hand. Now Aurora's only friends are groupies of the undead and the only boy she can think about may very well be a vampire.
