Basic Reading Power 1 (2nd Edition) Beatrice S. Mikulecky, Linda Jeffries

Basic Reading Power, Second Edition, by Beatrice S. Mikulecky and Linda Jeffries, is a student-centered reading skills textbook with a process approach to reading improvement. Its unique structure, featuring four key sections used concurrently, helps beginning-level students (with a vocabulary of 300 words) to become better readers in school, college, or business.

- **Reading for Pleasure** encourages students to master new reading strategies and broaden their vocabulary.
- **Comprehension Skills** emphasizes strategic reading skills, such as skimming, making inferences, recognizing topics, and understanding sentences.
- **Vocabulary Building** offers strategies for learning new words, including personalized vocabulary lists, using context clues, and expanding categories of words.
- **Thinking Skills** provides targeted practice in inference and analytical skills.

New to the Second Edition:

- A two-color design featuring index tabs for easy navigation
- An expanded Teacher's Guide with sample syllabus
- Updated content, additional readings, and a unit on identifying word parts

Test booklets contain reproducible black line masters to be used as additional practice or to test reading skills presented in the student books.
