Simon and Kara are back!

Kara Hudson has been married to her billionaire husband, Simon, for over two years, and she loves him even more desperately than she did when they first married. Unfortunately, there was a distance growing between the two of them, and the passion between them wasn't flaring as red-hot as it used to burn. Was it possible that Simon wasn't as crazy in love with her as he used to be, or did their problems go much deeper than that?

Simon Hudson loves his wife and his infant daughter so much it hurts. And he was getting tired of holding back his emotions from his worn-out, exhausted wife who had seen their baby girl through her first year and a half of life without complaint.

Will their differences and emotional distance tear the two of them apart? Or will a precious gift from Santa help them heal their misunderstandings and have the merriest Christmas they've ever had?

Not suitable for children under 18
