## State of the Nation: South Africa 2007

From the outcome of the 2006 local elections and the state of public hospitals to environmental issues and concerns about tourism, leading South African intellectuals explore a variety of issues central to the country's development in this annual collection of essays. Insightful discussions of contemporary South Africa also address key topics such as violence against women, prison reform, the vast Zimbabwean exile community, and the role of the post-apartheid church.
