**Once Upon a Time: My Life with Children's Books** Sheila Egoff, Wendy Sutton

In *Once Upon a Time: My Life with Children's Books* Sheila Egoff tells the story of her working life, from her early voracious reading, through all her significant contributions to libraries in Canada and to our national understanding of our own literature for children. She brings both a critical eye and a personal touch to this book, which reads as a memoir and as an account of important developments in Canadian writing and librarianship. In this time of cuts to budgets for books and for librarians, there is much here to reflect upon.
