Sexuality and Holy Longing: Embracing Intimacy in a Broken World Lisa Graham McMinn

This powerful book shows how many Christians, including pastors, parents and leaders, have unwittingly absorbed many cultural ideas about sexuality that are not supported by the Bible. As people created by God for relationship, our sexuality guarantees that we will long for and be drawn toward others, McMinn provides a blueprint for understanding sexuality--and our longing to be loved-- at all stages of life (childhood, teen years, early adulthood, midlife, and old age), and addresses tough topics including sexuality for those who are single (divorced, widowed, or never married). She also details practical solutions for ways that parents, educators, and churches can nurture others and ourselves in the quest to understand sexuality as a longing that draws us toward God and others, and to embrace it as a God-given gift. Thought provoking study questions at the end of each chapter inspire us to action in reclaiming our sexuality through grace.
