WHALE SONG ~ with bonus content*

- *International Bestseller*
- *National Bestseller*
- *Top 100 Bestseller*
- *Award winner*

Thirteen years ago, Sarah Richardson's life was shattered after the tragic death of her mother. The shocking event left a grief-stricken teen-aged Sarah with partial amnesia.

Some things are easier to forget.

But now a familiar voice from her childhood sends Sarah, a talented mid-twenties ad exec, back to her past. A past that she had thought was long buried.

Some things are meant to be buried.

Torn by nightmares and visions of a yellow-eyed wolf and aided by creatures of the Earth and killer whales that call to her in the night, Sarah must face her fears and recover her memories--even if it destroys her.

Some things are meant to be remembered--at all cost.

Set on the east coast of Vancouver Island, Whale Song is an inspiring novel that explores themes of racism, bullying, deception, tragedy, love and forgiveness. It's a novel that will change how you view life...and death.

***Bonus content: special letters from the author and a fan, plus a short story by Cheryl Kaye Tardif. (2010 paperback edition only)**
