Nobody except us knows that I'm pregnant but I won't be able to keep it a secret forever.

Ryan

When I found out that Aaliyah was pregnant with my baby, I knew that there was only one thing I wanted: the baby -- MY baby that she's carrying. I'll be damned if she thinks I'll have anything but that. She might not realize it now, but we're going to be one big happy family.

Aaliyah

I know that he wants me to keep this baby, but there's no way I'll be the laughing stock of the town. I have no intention of being a single mom while he's hundreds of miles away. He can't control me. I'm stronger than that...until he comes back home. When he's in town, I'm willing to do *almost* anything he wants. How does a girl say no to the hometown hero? The man who every woman idolizes, the one who's mine.

Baby in the Military is a full-length BWWM romance novel. It contains no cheating and no cliffhangers. Happily ever after? You'll have to read to find out!
