Babylon Revisited and Other Stories

Babylon Revisited and Other Stories

Set in the year after the 1929 crash and incorporating many autobiographical elements, 'Babylon Revisited' tells the story of the widower Charlie Wales, a reformed alcoholic and successful businessman returning to Paris to convince his in-laws to give him back the daughter he abandoned. As the old haunts of the city he used to carouse in seem more and more alien to him, he finds himself assailed by feelings of guilt and regret.
