## Get Published Sooner

Why do writers have a hard time getting published?

- Writing a novel is really hard.
- Writing a novel good enough to get published is even harder.
- Even if you do write a novel good enough to be published, getting noticed by agents and publishers is nearly impossible.
- And by the way, if you decide to self-publish, your odds of being the next Amanda Hocking or John Locke are too low to mention.

However, there's another option: Short Stories. Short stories have traditionally been the training grounds for writers learning the craft. Writers like **Stephen King, Ernest Hemingway, and even Mark Twain** didn't start out writing novels. They learned the art of fiction by writing short stories.

## Short stories can make your career.

Maybe it's time to stop slaving away at novels and learn how to write and publish short stories.
