My Father, My President: A Personal Account of the Life of George H. W. Bush Doro Bush Koch

When George H. W. Bush asked Doro to write this memoir, she contacted hundreds of his friends and associates; conducted scores of interviews with dignitaries including Bill Clinton, Mikhail Gorbachev, and General Colin Powell; tapped the memories of family members, including her mother, her four brothers, and of course, her father himself; and collected information from the former president's never-before-released files. "Now for the first time, a complete portrait of George H. W. Bush emerges. Doro reveals her father as a young man courting his future wife, Barbara, and how the death of their first daughter brought them closer. Doro tells how they raised five children through much of her father's long and storied career in public service, and offers details about this tenures as head of the Republican National Committee during Watergate, ambassador to the U.N., America's liaison to China, and vice president for eight years under Ronald Reagan." "Doro also provides an insider's look at how the 41st president dealt with crises and challenges, all while keeping his humor and personality intact, and how he still does so while aiding victims of the 2004 tsunami and Hurricane Katrina. She shows how he felt when two of his sons entered politics - and when his eldest made it to the top - and sheds new light on his friendship with former rival Bill Clinton."--BOOK JACKET.

From reader reviews:

Arthur Pascual:

In this 21st centuries, people become competitive in each and every way. By being competitive at this point, people have do something to make these people survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the item for a while is reading. Yeah, by reading a e-book your ability to survive raise then having chance to endure than other is high. In your case who want to start reading a book, we give you this My Father, My President: A Personal Account of the Life of George H. W. Bush book as beginning and daily reading book. Why, because this book is usually more than just a book.

James Kyles:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want attract knowledge just go with knowledge books but if you want experience happy read one along with theme for entertaining for example comic or novel. The particular My Father, My President: A Personal Account of the Life of George H. W. Bush is kind of guide which is giving the reader unstable experience.

Matthew White:

Information is provisions for anyone to get better life, information currently can get by anyone in everywhere. The information can be a know-how or any news even a problem. What people must be consider whenever those information which is in the former life are difficult to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take My Father, My President: A Personal Account of the Life of George H. W. Bush as your daily resource information.

Andrea Behnke:

Precisely why? Because this My Father, My President: A Personal Account of the Life of George H. W. Bush is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of benefits than the other book include such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the publication store hurriedly.
