If he meets her, she will die. Twenty year old sorcerer and college student Scott Tabors knew he'd found his heart mate the moment he saw seventeen year old Olivia Whitehead outside of a coffee shop. He longs for her, he wants her, and he knows she will be his. But due to a curse on his family, he can't meet her. Not yet. So for now, he visits her in her dreams, where he can tell her everything but his name.

Olivia Whitehead and her best friend Juniper are enjoying their junior year and are as close as sisters. But Olivia can't tell anyone about the strange changes she's experiencing, beginning with steamy dreams featuring a mysterious dark haired young man. But what will happen when the school heartthrob starts showing interest? Will she wait around for her dream man, or will she move on?

Then, when Olivia's life is put in danger by a new threat, Scott must find a way to save her – without condemning her to an early death.
