Farscape: House of Cards Keith R. A. DeCandido

The pleasure planet Liantac was once the greatest gambling resort in the Unchartered Territories. Even now, having fallen on hard times, it remains a spectacle of glitz and greed. Astronaut John Crichton and his fellow interstellar fugitives see Liantac as the source of much-needed supplies--except for Rygel, whose boundless avarice is tempted by the promise of easy riches.

Imagine his shock, then, when he loses their starship, *Moya*, in a game of chance!

To discharge the debt, and liberate their ship from the planetary authorities, Crichton, Aeryn, and the others must take on a number of challenging assignments. But all is not what it seems, for treachery and deadly intrigue hides within this...*House of Cards*.
