Is finance a difficult subject to understand? Or is it made unnecessarily complex by the maze of products, laws and advice that surround it? To arrive at Financial Sanity, all that is required is applying the common-sense, tried and true advice of the past while taking into account modern monetary realities. In three easy lessons, the author offers guidance on faith & money, the mechanics of a sound financial plan and the "happy end" to the money story. Applying these ideas can make financial sanity yours.
