The Naked Capitalist W. Cleon Skousen

In "The Naked Capitalist" , Dr. Skousen reviews the book "Tragedy and Hope" by Carroll Quigley. It reveals how some of the richest people in the world have supported communism and socialism. Why would they support what appears to be the pathway to their own destruction? Dr. Quigley has been associated with many of these dynastic families of the super-rich. Dr. Skousen therefore writes as an authority on the world's secret power structure. His answers to the above question will astonish you.
