The Rebels: Book 2 of the The Empire series (Volume 2) Elizabeth Lang

The much awaited second book to the epic Empire Series.

"Maybe I want to find out what's worse than dying."

On the cusp of freedom, Adrian Stannis is plunged into the world of bounty hunters and rebels, each one valuing his head with the kind of single-minded intensity that does not bode well for his dream of peace and a fully stocked lab in a quiet and obscure corner of the galaxy.

Dragged along against his will by a barbarian intent on selling him back to the Empire, Adrian 'accidentally' kidnaps an emergency room doctor--because that is the kind of thing he does, while Kali and Bryce try to find him and become embroiled in an adventure of their own, one that leads to a sinister mystery that might destroy them all.

Part adventure, part misadventure, this tale packs one punch after another until the final shocking ending.
