Haunted Universe: The True Knowledge of Enlightenment, Revised Edition Steven Norquist
"NEWLY REVISED EDITION" Haunted Universe is a journey into dark realms, an uncompromising presentation of the real cost of Awakening. Where other books have promised that the path to Enlightenment is one of joy, bliss and self discovery, this book makes no such claims. Haunted Universe does not attempt to gloss over, but actually emphasizes what those who embark on the path of Enlightenment must face about themselves and their lives before they dare make an incautious leap into a state that demands a confrontation with humanity's greatest fear-the loss of self.
