A terrible accident sends her traveling through time to 1330 England. Surely the handsome knight of the castle will aid her in the search to find her missing sisters?

Henry Thornton has sworn never to marry. Even if he is enchanted by the odd woman he finds washed up on the shore. He'll aid her and send the lady on her way.

Or not. As the castle falls under siege trapping Charlotte and Henry within the stone walls, will they risk everything for a chance at a love meant to last forever?
