Snobbery: The American Version

Joseph Epstein

Snobbery: The American Version Joseph Epstein

A national bestseller, *Snobbery* examines the discriminating qualities in all of us. With dishy detail, Joseph Epstein skewers all manner of elitism in contemporary America. He offers his arch observations of the new footholds of snobbery: food, fashion, high-achieving children, schools, politics, being with-it, name-dropping, and much more. Clever, incisive, and immensely entertaining, *Snobbery* explores the shallows and depths of status and taste -- with enviable results.
