## **Safe Handling of Hazardous Drugs** Martha Polovich

The newly updated and revised second edition helps translate safe handling recommendations that nurses can use in their daily practice. Contents include topics such as identifying the adverse effects of hazardous drug exposure, defining evidence for occupational hazardous drugs exposure, and safety measures that readers can take into the workplace. Nurses can use this new edition as a means to examine their own workplace and how their institution's policies and procedures might be better improved to limit the amount of hazardous drug exposure, thereby lessening the risks to nurses while ay work.
