Sandcastles: A Novel Luanne Rice

Luanne Rice is that rarest of all novelists who indelibly captures the defining moments in our lives. In this acclaimed bestseller, she takes readers on an unforgettable exploration of the most elusive miracle of all: how a broken family might be made whole again.

Painter Honor Sullivan had the perfect love and the perfect life with her husband, a renowned photographer and sculptor—until the day John’s passions led him to disaster, shattering their family and her heart. Since then, Honor has struggled to make a safe haven for herself and their three daughters at Star of the Sea Academy on the magical Connecticut shore.

Now, years later, a mysterious letter in a familiar hand hints at John’s return to the family he’s always loved more than anything on earth. It will take nothing short of a miracle to heal the rift between father and daughters, husband and wife, the past and the present—but a miracle is exactly what is in the making at Star of the Sea Academy. The only question is: Do you believe?
