Serves as a roadmap to many women who have found themselves exhausted and overwhelmed on this road called life. It comes a point in everyone's life when it seems like the whole world is passing you by; I was here and I know exactly what you're going through. I knew that if I didn't receive help this desert place would become my place of residence. I made the choice to not allow my past to dictate my future. Through trial and error, much prayer and much faith God has and is continuing to see me through. Since I have been allowing the Holy Spirit to steer and guide me I have picked up some applicable life lessons that I truly believe will set the captives free. Prophetic Word: I speak to every man, woman, boy and girl who will read this book. I silence the voice of doubt and whispers of inferiority. I shout to their spirits that they are more than conquerors that they will run and not get weary walk and not faint. I also decree that as they read this book the bands and yokes of the enemy will become loosen and they themselves will receive divine strategies on how to change their current situations. Finally I prophecy to their future that there will be a wave of wonderment that will overtake them, leaving them swimming in the blessing of God. I seal this in the name of Jesus. Amen!
