The Social Construction of Sexuality (Second Edition) (Contemporary Societies Series) Steven Seidman

An affordable primer to sexuality from a sociological perspective.

In *The Social Construction of Sexuality*, Steven Seidman investigates the political and social consequences of privileging certain sexual practices and identities while stigmatizing others. Addressing a range of topics from gay and lesbian identities to sex work, he delves into issues of social control that inform popular beliefs and moral standards. The Second Edition of *The Social Construction of Sexuality* features a new part that focuses on sexuality and social institutions.
