**Commentaries on American Law, Vol. 1 of 4 (Classic Reprint)** James Kent

Excerpt from Commentaries on American Law, Vol. 1 of 4

In preparing this edition, I have had in view the essential merit of the work to be revised, and the particulars in which its usefulness had been impaired through changes in the law.

The author's aim was to instruct students of American jurisprudence in the fundamental of that system. Admirably adapted to the needs of such, his treatise addressed itself to those most ardent of students, practitioners themselves. Hence it soon attained, and since has held, the distinction of the best general treatise on American law. Herein are presented, as parts of an organic whole, the international relations of our government, its constitutional organization, and the legal results flowing from the exercise of its executive, legislative, and judicial functions. Without deviation from its systematic course, the discussion passes from the Union to the States united, and finally dwells upon the myriad relation of private life, personal and proprietary. To this source, consequently, students resort for the beginnings and the lawyers, and judges for the application, and, in some measure, for the consummation, of professional knowledge. As a text book, it is simple and instructive; as an authority, it is distinguished among the highest.

Subsequent to the last edition issued under supervision of the author, important changes have occurred.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
