Home Matters (A Ripple Effect Romance Novella Book 1) Julie N. Ford

According to her mother, Olivia Pembroke was born to be a star. But how is she supposed to be famous when she can't even get a decent acting gig? Her lucky break comes when she lands an audition for a wildly popular home improvement show. Even though she has no design training and has never held a power tool, she refuses to let that stop her. She's confident that her destiny is finally within reach.

When her affections are torn between her heartthrob co-host and the irritating, yet somehow endearing lead contractor, does she continue to reach for the stars? Or does she design a new happily ever after? One that leads not to the fading lights of fame and fortune, but to a love that will burn forever.
