This ingenious book combines the fun of coloring with the satisfaction of creating pictures. Forty-five illustrations have been left unfinished, so boys and girls can use their unique creativity to complete them. Captions at the bottom of the page offer helpful suggestions or kids can dream up their own ideas. Children can complete drawings of a spaceship, wild animals, a haunted house, an underwater world, a kitten's dream, and much more. After the pictures are finished, they are ready for coloring.
