If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab & Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase.

For Principles of Management courses.

This package includes MyManagementLab™.

The Practical Tools of Management Presented Through In-depth Practice

Fundamentals of Management is the most engaging and up-to-date introduction to management resource on the market today. Covering the essential concepts of management, it provides a solid foundation for understanding the key issues and offers a strong, practical focus, including the latest research on what works for managers and what doesn't.

The **Tenth Edition** has been updated with the latest coverage on hot topics such as sustainability, holacracy, the sharing economy, gamification, data analytics/big data, BYOD (bring your own device), and wearable technology. Engaging and fun videos and exercises motivate readers and give them the practice they need to become successful managers.

Personalize Learning with MyManagementLab

MyManagementLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.
