Magic and love intertwine in this tale of romantic suspense by bestselling author Heather Graham

Regina Delaney loves making children happy. Playing Dierdre Dinosaur for adoring audiences at the theme park she started with her twin brother, Max, gives the local kids—and Reggie—countless hours of innocent pleasure. But make-believe morphs into suspicion of murder when Max's ex-wife vanishes . . . and Max becomes the prime suspect.

Reggie is determined to uncover the truth and clear her brother's name. So is Wesley Blake. The ex-military intelligence officer believes in his best friend's innocence—which means someone has set Max up. Gathering intel is the easy part. Resisting Max's gorgeous sister is something else. But soon Wes has a more critical mission: stopping a diabolical plot and protecting Reggie from someone who has marked her for extinction.

This ebook features an illustrated biography of Heather Graham, including rare photos from the author's personal collection.
