Somebody's Daughter: The Hidden Story of America's Prostituted Children and the Battle to Save Them Julian Sher

Masterful, absorbing. . . . The most definitive account of sex trafficking of children in the United States and the culture that supports it -Norma Ramos, executive director, Coalition Against Trafficking in Women

Somebody's Daughter takes readers behind the scenes to expose one of our nation's most underreported crimes: the trafficking of American girls on American streets. Investigative journalist Julian Sher meets the teenagers who are fighting to survive, a new breed of cops who are trying to rescue them, and the activists battling to protect our country's most forsaken children. A new afterword by the author includes discussions of recent initiatives and updates from around the country; how the online battle has moved from Craigslist to Backpage with demonstrations, prosecutions, and new laws; and follow-ups on some of the young women discussed in the book. Not only a shocking exposé and a call to action, Somebody's Daughter is a story of hope and the heroines and heroes working to save America's prostituted children. Julian Sher is an award-winning investigative journalist and the author of six books, including *Caught in the Web: Inside the Police Hunt to Rescue Children from Online Predators*. His articles on child abuse have been featured in the *New York Times* and *USA Today*, and he has addressed child safety conferences across the country.
