Each logo element in *999 Logo Design Elements* is a distinct and standalone piece that offers designers the capability to develop hundreds of thousands of logo variations on themes. The elements include banners, arrows, ovals, swooshes, geometric shapes, and hundreds of creative parts that can be pulled together to create original logo designs. Featured throughout the book are examples of logos and identities built with elements from the book.

### BONUS:

A CD-ROM containing all 999 copyright-free, vector-based logo elements is included, so you are free to create original logos using the elements on the disk. The CD also includes links to all of the resources included in the book for easy access to books, tutorials, and websites focused on logo design. Graphic editing software, such as Adobe Photoshop(R) and Illustrator(R), are required.
