Breaking Down the Curve: Acing Law School Exams Anonymous

This book offers a brass-tacks no-nonsense introduction to how to make persuasive legal arguments. In sixty pages and three chapters, it aims to compress the most essential and often elusive keys to success on law school exams into an explanation that is short and highly readable. Chapter One explains how to read and understand a legal argument, explaining how to unlock the often unstated moral, political, and rhetorical dimensions of legal arguments. Chapter Two offers specific tips on how to make persuasive legal arguments by applying the tools of rhetoric to effective legal argument. Finally, Chapter Three explains the mechanics of argumentative legal writing, and shows that every great and careful lawyer closely follows the same formula for success.
