## **The Best Thinking in Business Analytics from the Decision Sciences Institute (FT Press Analytics)**

Decision Sciences Institute, Merrill Warkentin

Today, business success depends on making great decisions – and making them fast. Leading organizations apply sophisticated business analytics tools and technologies to evaluate vast amounts of data, glean new insights, and increase both the speed and quality of decision making. In *The Best Thinking and Practices in Business Analytics from the Decision Sciences Institute*, DSI has compiled award-winning and award-nominated contributions from its most recent conferences: papers that illuminate exceptionally high-value applications and research on analytics for decision-making. These papers have appeared in no other DSI collection. Explore them here, and you'll discover powerful new opportunities for competitive advantage through analytics. *For all business, academic, and organizational professionals concerned with the science of more effective decision-making; and for undergraduate students, graduate students, and certification candidates in all related fields.*
