## The Middle East in the World: An Introduction (Foundations in Global Studies)

*The Middle East in the World* offers students a fresh, comprehensive, multidisciplinary entry point to the broader Middle East. After a brief introduction to the study of the region, the early chapters of the book survey the essentials of Middle Eastern history; important historical narratives; and the region's languages, religions, and global connections. Students are guided through the material with relevant maps, resource boxes, and text boxes that support and guide further independent exploration of the topics at hand.

The second half of the book presents interdisciplinary case studies, each of which focuses on a specific country or sub-region and a salient issue, offering a taste of the cultural distinctiveness of the particular country while also drawing attention to global linkages. Readers will come away from this book with an understanding of the larger historical, political, and cultural frameworks that shaped the Middle East as we know it today, and of current issues that have relevance in the Middle East and beyond.

### **From reader reviews:**

#### **Katie Martinez:**

The book *The Middle East in the World: An Introduction (Foundations in Global Studies)* can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book *The Middle East in the World: An Introduction (Foundations in Global Studies)*? Some of you have a different opinion about book. But one aim that will book can give many info for us. It is absolutely correct. Right now, try to closer with the book. Knowledge or data that you take for that, you are able to give for each other; you are able to share all of these. Book *The Middle East in the World: An Introduction (Foundations in Global Studies)* has simple shape but you know: it has great and large function for you. You can search the enormous world by wide open and read a reserve. So it is very wonderful.

#### **Gladys Jackson:**

Reading a book tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their own reader with their story or perhaps their experience. Not only the story that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some study before they write to their book. One of them is this *The Middle East in the World: An Introduction (Foundations in Global Studies)*.

#### **Caroline Edwards:**

This *The Middle East in the World: An Introduction (Foundations in Global Studies)* is great book for you because the content which can be full of information for you who else always deal with world and possess to make decision every minute. This book reveal it facts accurately using great coordinate word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having *The Middle East in the World: An Introduction (Foundations in Global Studies)* in your hand like having the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world within ten or fifteen moment right but this e-book already do that. So , this is good reading book. Heya Mr. and Mrs. hectic do you still doubt which?

#### **Michael Emery:**

What is your hobby? Have you heard this question when you got learners? We believe that that query was given by teacher with their students. Many kinds of hobby, All people has different hobby. And you also know that little person similar to reading or as reading become their hobby. You need to know that reading is very important along with book as to be the factor. Book is important thing to include you knowledge, except

your own teacher or lecturer. You will find good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them are these claims The Middle East in the World: An Introduction (Foundations in Global Studies).
