Bestial: The Savage Trail of a True American Monster

Harold Schechter

Bestial: The Savage Trail of a True American Monster Harold Schechter

Known for meticulously researched and brilliantly detailed accounts of horrific true crime legends, Harold Schechter takes readers inside the very heart and mind of true evil. As an infant, Earle Leonard Nelson possessed the power to unsettle his elders. As a child he was unnaturally obsessed with the Bible; before he reached puberty he had an insatiable, aberrant sex drive. By his teens, even Earle's own family had reason to fear him. But no one in the bone-chilling winter of 1926 could have predicted his degeneracy would erupt into a sixteen-month frenzy of savage rape, barbaric murder, and unimaginable defilement - deeds that would become hallmarks of one of the most notorious fiends of the Twentieth century, whose blood-lust would not be equaled until the likes of Henry Lee Lucas, John Wayne Gacy, and Jeffrey Dahmer.
