Brother Odd (Odd Thomas Novels) Publisher: Bantam Dean Koontz

Odd Thomas is looking for peace. But in the silence and snow of the mountains, danger and desperation haunt him still ! By popular demand, the story of the life and times of Odd Thomas continues. To escape the haunting memories of his lost soul-mate Stormy Llewellyn, Odd has retreated to a monastery in the High Sierra. It's December. Icy winds and deep snow besiege the remote abbey, a contrast to the sunbleached desert town of Pico Mundo where Odd was born. A white dog named Boo befriends Odd. The King of Rock 'n' Roll has followed him there and silently serenades man and dog. But Elvis isn't the most spooky phenomenon in the place. Odd is one of four guests there. Another is John Heineman, world-famous physicist, who years earlier left the secular world because he found the nature of reality, as quantum mechanics reveals it, so very weird. But Heineman continues his physics experiments down in the catacombs of the facility. Added to this, those shadowy harbingers of extreme violence, bodachs, are prowling the halls. Only Odd can see them. Only he knows what their presence means. Odd has a knack for finding himself in the path of trouble no matter where he goes, even among the eccentric monks in their sanctuary ! where Odd is about to encounter an enemy that eclipses any he has yet known.
