Delicate Freakn' Flower (Freakn' Shifters Book 1) Eve Langlais

Dammit , just how many toes was she going to have to stomp on before people realized she was a Delicate Freakn' Flower?

Naomi doesn't want to follow tradition and settle down with a violence-loving, chest thumping shapeshifter. She grew up in a household with five, testosterone laden brothers where none of the dishes ever matched, the ugly-as-sin furniture could withstand any catastrophe, and where crazy glue was bought by the case.

When fate--with a snicker--makes her meet not one, but two mates, Naomi digs her heels in and refuses to do what her wolf--and her body--demands. No way is she voluntarily allowing herself to get hitched to a pair of dumbass--totally hot and muscled--lacrosse players.

Can Ethan, the towering Kodiak bear, and Javier, the sexy, tanned jaguar convince this she-wolf that life with them won't be all chaos? And can this Delicate Freakn' Flower unbend her prejudices enough to recognize she needs a pair of men who can handle her thorns--and her passion?
