There is one thing I love more than a *good book*, and that is a *good FREE book*.

But wait a minute — does such a thing even exist?

The average consumer will say “no”. Free ebooks are rare and they tend to be of low quality.

**Well, that’s what the average consumer thinks!**

This book will give you everything you need so that you can find **Free books and audiobooks** in any subject. Don’t think this is possible? Think again...

An ebook is a digital good that has no manufacturing costs. This means that the author or publisher will not incur any costs if you get a free copy. In fact the publisher may have something to

gain from you by giving away the book to you for no money.

In fact, authors will THANK YOU for downloading their ebook.

Since authors have to pay their bills too, free ebook opportunities are only available to those that know where to look.

In this book, I will let you know how to *search, find* and *download* free ebooks. And the best part? You will also make some new friends in the process.
